# OUR VISION

To continue to excel in our services so our clients can be at the cutting edge of their businesses; to compete with global multi-disciplinary auditing firms in the future.

# OUR MISSION

To empower clients with a range of world-class services, enabling them to unlock the potential of their business growth.

We are committed to providing close, personal attention to clients. We take pride in assuring you that the personal assistance you receive will come from years of advanced training, technical experience and financial acumen.

Our continual investment of time and resources in professional continuing education, state-of-the-art computer technology and extensive business relationships are indicative of our commitment to excellence.

**Balaji IP Practice**

# OUR ETHICS & PRINCIPLES

Balaji Ip Practice has a well-rounded philosophy cast in stone. It has worked for us and, more importantly, for our clients.

Some of our key professional principles are:

- Respect clients' confidentiality
- Accept only those assignments for which we have the experience and expertise
- Work in the best interest of the client, with undivided loyalty
- Arrive at terms and confirm them through a signed Letter of Engagement before any work begins.
- Ensure that the work is carried out in an objective, impartial, independent manner
- Cultivate high standards of professionalism through regular training, upgrades and research
- Build and nurture regular communication channels with clients and associates
